A SUBSIDIARY OF 

COFINA FINANCIAL®
Knowing what's possible.

A lender with common ground makes financial sense.

Customer focus and financial expertise along with close connections to risk management and industry professionals is what sets Cofina Financial apart. We bring a fresh approach to agricultural lending by providing a committed, personal, proactive and knowledgeable team of experts who understand agriculture and finance.

To achieve positive solutions that are in our customers best interest, we roll up our sleeves and figure out a financial game plan together. It's the kind of true collaboration that helps eliminate surprises and makes it easier to fund future success.

Making informed and timely decisions is critical. Cofina Financial takes pride in being responsive in helping customers take full advantage of opportunities that come their way.

Partners with financial solutions to accelerate your success.

Personalized Service

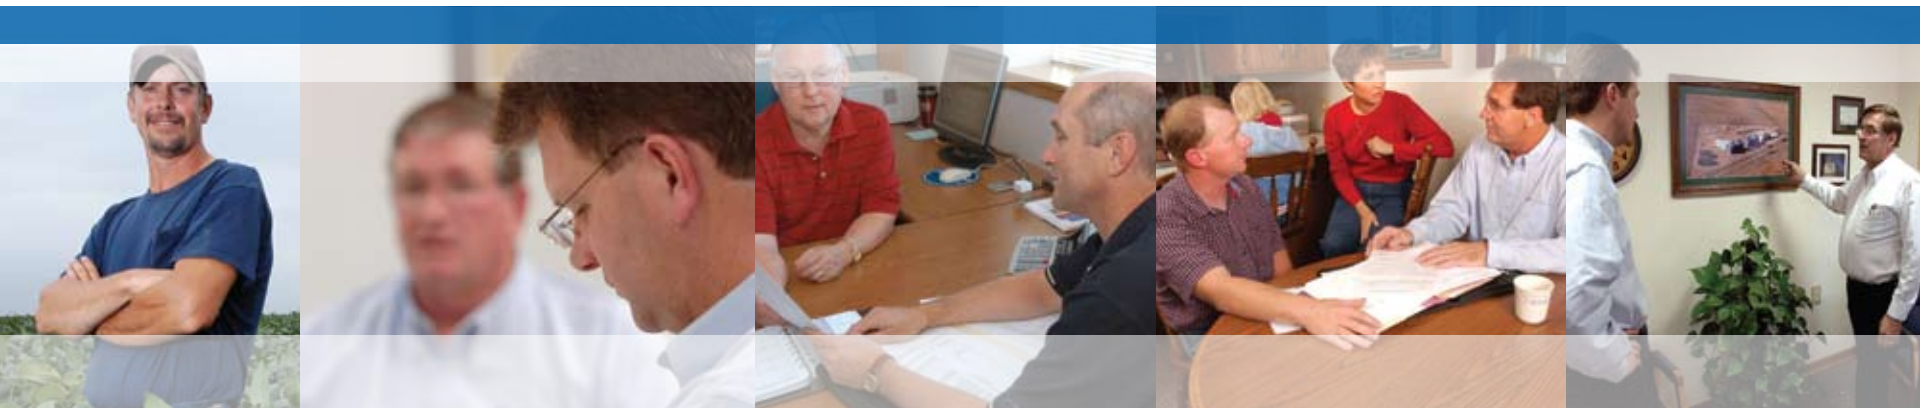

We know each operation is different, with a unique history, set of business goals and way of doing business. Our lending team provides proactive recommendations for each operation resulting in a focused financial package.

Competitive Products and Services

Complete financing packages for commercial and production agriculture are available. Our commercial lending team works with customers to determine current performance, analyze projects and discuss growth strategies.

Country Business Partners

Agricultural businesses serving farmers and ranchers can join or have the opportunity to be a Country Business Partner. Country Business Partners offer complete producer financial products and services, backed by Cofina Financial resources and expertise. The result is a powerful partnership, dedicated to helping producers truly see what's possible.
